Borê Gowda of Kirisávê village.

The appelants praiy that the order of the deputy Commissioner, Hassan District passed in their case may be reversed for the following reasons :—

(i) That the deputy Commissioner's order that the door of the Kónana Máyamma temple at Thoobinakêrê be always left unlocked will result in the theft of jewels daily put on the deity, that it will facilitate the entrance of dogs, donkeys &c in the temple, that the idol itself would

incorrect in holding that this Utsava idol was now located in the temple and the doors were begun to be locked newly for the first time;

V.) That the Respondent Boré Gowda who is a resident of a different village has nothing whatever to do with this temple and that his present claim to worship the deity on behalf of the devotees of his village has been put forward with the malicious intention of depriving the appellants of their income by appropriating to himself the offerings made by the people belonging to the Respondents' party.

2. On these grounds, the

appellants pray that the Deputy Commissioner's order may be reversed and that they be allowed to lock the temple doors and retain the key with themselves as usual, Bore Gowda, the Respondent being at the same time declared to have no right whatever in the matter of the worship or other affairs in the temple.

Memo

Pujari Mayanna, who is now in charge of the temple, has deposed that Puja is being performed in the temple only on Sundays, that on those days he would keep the Garbhagudi door open not only throughout the daytime, but also till 9 o'clock in the night, as some devotees come to the temple for worship even at that late hour in the night, and that during the other days of the week, he would keep the outer door open throughout the daytime.

Of the two appellants Thimmê Gowda and Pujari Mayanna Gowda, the former has since died, and his son, Govindaraiê Gowda has agreed to the above arrangements. The Amildar also reports that the arrangements now proposed are sufficient to satisfy the requirements of all the devotees of the temple.

The Secretary to the Government of Mysore
Muzrey Department, Bangalore.

Sir,

With reference to your official Memorandum No 970, dated 2d. Instant, forwarding for report appeal petition from Bédémané Timme Gowda and Pujari Nagamma of Tubinakeré village in the Channarayapatna Taluk, appealing against this office order, dated 14th December last, directing that they should keep the doorway of the Kanana Nagamma's temple open at all times as before and that in default the same would be removed, I have the honour to report as follows:-

2. The temple is in Kalhalli village which was one Becheraikh and is now a Dakhali village attached to Tubinakeré. It is situated on an elevated plot of ground at the meeting point of the Tubinakere, Kiresave and Kalhalli villages and the Goddess is a Jungle Mari, endowed with Inam lands as per margin. The temple was a mud roofed one without any doorway and was at all times open for the devotees to break cocoanuts and offer Kanikes &c.

3. Before the famine of 1876-77, Kiresave as well as Tubinakere had a Pujari of its own to worship this mari, but Pujari Dodda of Kiresave died during the famine and the Kiresave villagers appear to have suffered by the famine to such an extent that for a few years they neglected to appoint a

Successor to the deceased Pujari, who left no sons. The Subrinkere as well as the Kiresave villagers had each an Uthsava Vigraha of the Mari, which was deposited, as is usual in such cases, in Specially consecrated Devar Manés in the two villages.

4. Taking advantage of the neglect of the Kiresave villagers to nominate a successor to Dodda and their low condition after the famine the Subrinkere villagers commenced in 1892, certain repairs to the Mari Temple. When however, in the course of the repairs, they prepared a doorway, put up a door and locked in the Subrinkere Uthsava Vigraha in the temple. The Kiresave villagers opened their eyes, objected to the putting up of the door and the depositing of the Uthsava idol in the temple and on the Subrinkere Pujari setting up an exclusive right to the temple, they petitioned the authorities. The Amildar of Channarayapatna Taluk after a protracted enquiry, reported that the Uthsava Vigraha was not introduced contrary to Mamool, that it should be [illegible] for the temple but that as the door had been fixed at some cost, it would be sufficient if each village was to have a duplicate key for the [illegible] temple. The suggestion of the District Magistrate that the Pujari of Subrinkere should be dismissed whenever called upon by the Kiresave villagers refers the Puja to the satisfaction of the latter was impracticable as the ill-feeling is said to exist between the two villages is said to have been

and under the circumstances, the late Deputy Commissioner, Mr. A. Krishnaswamy Iyengar, directed the Amildar to effect an amicable Settlement. The Subbinkere villagers proved obdurate, would not remove the Uthsava idol and would not allow the Kiresave villagers any right in the temple. It is evidently the intention of Mayanna to appropriate all the perquisites of the Worship to himself and to make the Kiresave Uthsava idol a non-entity. In the case of outsiders, who occassionally turn up at the temple, the exclusive right set up by Mayanna would be no hardship. But to the Kiresave villagers, whose only village deity is Konana Mayamma, and who have constantly to make offerings to her, it is a great hardship to be compelled every day to trot to Subbinkere 2 miles and await the pleasure of Mayanna every time they want to make an offering. They naturally bitterly complained to H. H. the Regent that their crop and cattle suffer from the anger of Konana Mayamma. Having regard to their immemorial rights, the fact that the temple is a Mazrey one and the obdeniacy with which Mayanna has been disobeying the advice of Amildars and the order of the authorities to allow the Kiresave villagers to have a duplicate key, it was decided to restore the Status quo ante bellum and leave the temple open by removing the door way.

Today 2

5. The appeal petition and its enclosures ~~and its enclosures~~, together with the vernacular correspondence, ending with Channarayapatna Amildar's report

report No 65/497, are herewith submitted for needful reference and obliging return

Deputy Commissioner

Read:—

Petition no. 1240 dy 28th January 1898 from Bêdamanê Thimmê Gowda and Mayanna, Pujari of Konana mayamma temple, a Muzrai Instn. in Thobina-Kêrê, Channarayapatna Talk appealing against the order passed by the Dy Commr. of Hassan Dt. directing that the door newly put up in the temple shd be removed and the temple left open in view to enable the devotees to present their offerings to the deity at all times of the day.

And,

Correspondence ending with Docket no. 777 dy 26th May 1900 from the Dy Commr. Hassan District.

Order thereon.

No. 957 Enc 1 file
mwr 735-98
Dj 26. 2. 1901

The appellants' chief objection to the Dy Commrs order being that by leaving the temple open as directed therein there will be a risk of the temple properties being stolen and that dogs and donkeys stray into the temple premises, a reference was made to the Dy Commr. from this office enquiring if the appellants will bind themselves by a muchalika to keep the temple door open for the devotees during all hours of the day; and in reply the Dy Commr. now reports that Bidemane Mimme Gowda

one of the two appellants is since dead & that his son Govindarama Gowda and the other appellant Mayamma who is now in actual charge of the temple have executed a Mutchalika stating that Puja is being performed in the temple only on Sundays and that on those days, the Pujari will keep the Garbhagudi door open not only throughout the day time but also till 9 O' clock in the night as some devotees come to the temple for worship even at that late hour & that during the other days of the week, the outer door will be kept open throughout the day time

The Amildar of the Taluk also reports that the above arrangements are sufficient to satisfy the requirements of the devotees of the temple.

2. In the foregoing circs, the Govt Observe that the door of the temple need not be removed and that it would be quite sufficient if the terms of the Muchalika executed by the appellants as explained in the foregoing para be strictly enforced.
